Commissioner for Patents

There is an inconsistency between OATH and BIB sheet and other paperwork of the application. The foreign priority application is listed as DC 103 50 239.4 in OATH, but it is listed as DE 103 61 724.8 in BIB sheet and other paperwork. Applicant is requested to submit necessary information/correction for OATH with precise foreign priority application number. A shortened statutory period for reply is set to expire 30 days from the mailing day of this communication. Applicant is requested to submit necessary information/correction for OATH with precise foreign priority application number. No extension of time can be purchased. Finally if Applicant does not respond within the 30 day response period, this file will be abandoned and a petition to revive will be required.
